HopeHealth offers a number of additional programs to support patients, families and the community. These include:

Caregiver Support Groups

Taking care of yourself is one of the most important things you can do as a caregiver. We offer a number of groups, including support especially for dementia caregivers. Most are available virtually. All are free and open to the public.

Grief Support Services

The Center for Hope & Healing at HopeHealth offers individual and family counseling to anyone who has had a loved one under our care.

We also welcome all to participate in our many support groups, most of which are virtual. We also offer a summer camp, Camp BraveHeart, to help children work through their grief.

A complete list of our groups can be found at HopeHealthCo.org/SupportGroups or by calling (888) 528-9077. All groups and events are free of charge.

Specialty Services

Our specially trained hospice volunteers offer complementary services for patients including Reiki, music, pet therapy, hand massage, vigils, veteran pinning, life review, end of life doulas, meditation and mindfulness.

Hospice Care

When you or a loved one is diagnosed with a serious illness, we're by your side.

For over 40 years,

HopeHealth has set the gold standard for end-of-life care.

Our work aims to anticipate, prevent and relieve suffering, preserve dignity, and promote quality of life for patients and their families. HopeHealth is one of the largest not-for-profit hospice providers in New England and the major teaching affiliate for hospice and palliative medicine of the Warren Alpert Medical School of Brown University.

What is Hospice?

Hospice is specialized care for patients who are in the advanced stages of serious illness or nearing the end of life. It's available for all ages, from infants through adults.

Hospice care focuses on comfort and quality of life, not cure. That includes medical, emotional, and spiritual care to help a patient live as comfortably and fully as possible.

It also centers around support for families and loved ones.

What Does Hospice Provide?

- Physician services to guide medical care
- Regular visits by nurses
- 24/7 support by phone or nurse visit
- Medical supplies and equipment
- Pain and symptom management
- Home health aide services for personal care
- Emotional and spiritual care
- Grief counseling
- Volunteer support
- Short-term inpatient and respite care
- Physical, occupational and speech therapy

Who is the Hospice Team?

Healthcare professionals work closely with one another, the patient's personal physician, and patients and families.

The team includes:

- Hospice physicians
- Registered nurses
- Nursing assistants
- Medical social workers
- Chaplains
- Trained volunteers

But no matter your family's insurance or financial situation, HopeHealth will work with you to ensure you get the services you need.

Where is Hospice Provided?

Hospice care is available in a variety of settings, depending on the preference and needs of the patient. That can include:

- Home
- Assisted living communities
- Hospital
- Group homes
- Nursing homes HopeHealth Hulitar **Hospice Center**

How is Hospice Care Paid For?

Medicare, Medicaid and most private insurers cover hospice care and related services.
